

1st, 2nd & 5th YEAR EXAMS – IMPORTANT INFORMATION

Monday 25th May to Thursday 28th May

Students and Parents/Guardians should note the following;

- As you are all aware you will be examined in your subject areas over the course of next week. This timetable has been sent to both students and parents
- These exams will be marked and graded, and this will contribute to your overall grade/mark awarded in each subject area
- Report cards will be posted out to parents/guardians in June. This will include a teacher comment and grade for each of your subject areas
- It is **YOUR** responsibility to be online at the correct time for each of your exams. Your teachers have/will inform you of the length of the exam.
- Exams will have set deadlines. Teachers **WILL NOT** be accepting any exams outside of this timeframe.
- If a student is unable to sit their exam due to illness, etc, their parent/guardian will need to contact the school directly at info@colaistecoissiure.ie, as early as possible. Students messaging teachers themselves will not be tolerated.
- Ensure that you have the correct materials needed for each subject area, pens, pencils, rulers, colours, etc...
- If you have any queries about your exams you must contact your subject teacher immediately.
- Further information (including the Exams Timetable) is available at www.colaistecoissiure.ie

I would like to take this opportunity to wish you all the very best of luck in your exams.

Kind Regards,

Mr. Morahan
