

17th November 2020

Dear Parents,

I hope that you and yours are well at this time. I write to you regarding some updates to the school calendar for this term.

School Closure

The previously scheduled school closure on Monday 30th of November 2020 will now take place on Monday 7th of December 2020 instead. (Please note that Monday 30th of November will be a normal full day of school.)

End of Term Assessments

Assessments for all year groups will commence in the week of 14th of December. Students in third and sixth year will have been informed that the traditional Pre-Christmas assessments for this year are aligned to the end of term to allow those students every possible chance to maximise progression of coursework, against the backdrop of the time out of school last March-May.

Parent-Teacher Meetings

Please note that, at present, Parent-Teacher meetings will not be proceeding for third and sixth years as scheduled in the school calendar in December. When school report cards are issued for end of term assessments, details will be included about how a Parent-Teacher phone call can be arranged.

Thank you for your continued support of Coláiste Cois Siúire and I wish you and your son/daughter the very best for the remaining weeks of term one.

Sincerely,

Conor Power

Principal
